In his memorandum of decision general alarm was sent out by Fire Warden Charles Maloney. Fire Warden Maloney rode through the country notifying the farmers and others were notified by telephone.

All day Thursday large numbers of men from the surrounding places and conveyed the premises in question, mortgaged them to plaintiff for \$450 to pay therework the balance of purchase money due thereon. Fifty dollars was afterward paid on the mortgage note.

On November 7, 1911, the defendant conveyed the premises subject to

deed subject to a condition for the payment to her by the grantees of \$9 a month for her life. I understand that \$9 was a fair rent for the other tenement which was occupied by Greenwood and his wife. Greenwood and his wife.

Greenwood, on or about January 21, 1913, berrowed of the plaintiff \$700.

By an agreement between Greenwood and the plaintiff, of which the defendant was ignorant, the plaintiff released his \$450 mortgage to the defendant, and gave up his \$450 note and mortgage to Greenwood; and Greenwood and his wife at the same time made their note to the plaintiff for \$1,100, to cover the \$400 due on the old loan and the new loan of \$700, and see and the new loan of \$700, and se-cured it by a mortgage of said to a life lease in favor of the defendant.

The plaintiff's suit is for foreclosure against defendant of this \$1100 mortgage, which she never made, assumed, or knew of, till she read the paper sent back from the town clerk. This deed imposes no obligation on defend-ant to pay the \$1100 note, nor does it incumber her interest in the premises t) secure it. She is still a stranger to the transaction between plaintiff and Greenwood and wife. Plaintiff must seek a remedy against them and their interest in the premises.

Robbins of Norwich, \$1,180; to William P. Kelley of Killingly, \$730; to John H. Mountain of Middletown, \$3800

When this matter was taken from the calendar Friday Mr. Peckham of Windham, of the committee on claims, who had it under consideration, the majority favoring payment, spoke in favor of the passage of the bill. He explained that the men named had faithfully served as the building com-mittee of the school at Mansfield and completed the work for less than the appropriation and ought to be paid for their services. He said that payment was favored by the legislature of 1913, but was vetoed by the governor.

Mr. Back of Killingly said he had

given the matter much of his personal consideration, as Mr. Kelley is a neighbor, and he knew of his honesty and capabilities, and he would not account the state of the state that Was cept a cent from the state that was not his just due. Mr. Back said that two years ago this matter was acted favorably upon twice, once to correct a minor error. The members of the building committee had charged \$10 a day for their services, which was reasonable for men of their calibre. Mr. Kelley made no charge for his expenses, while the others did, and properly, Governor Baldwin exercised his fore they reached Mr. Gulliver's resdence in East Chelsea.

ENDS INDIGESTION AFTER EATING

Just because the pepsin pills, soda nints and other artificial digestive tablets you have been taking no longer give you the desired relief and you must take two, four or six instead of one to stop your heartburn, bloating, sour rising, belching and stomach lump, it's no sign there is no quick relief for you, but a sure sign that it's high time you changed your medicine. Give up these so called aids to digestion, that work on the food and do the stomach n actual good or you'll belch and bloat till doomsday. You need a remedy that will strengthen your stomach muscles and lining and in-crease the flow of digestive juices. Then your stomach will do its own

There is an old time remedy called Mi-o-na Stomach Tablets which give wonderfully quick relief in such cases. They are a splendidly bal-anced stomach prescription and no matter how bad your stomach is, how long it has bothered or what or how much you eat, these little tablets will make your stomach digest every last particle of food in it. Lee & Osgood or most any good druggist in this vicinity sells Mio-na on a positive guarantee of sat-isfactory results or money back.
